ΠΡΟΣ: Καθηγητές/τριες Αγγλικών Μέσης Γενικής και Τεχνικής Εκπαίδευσης

ΘΕΜΑ: Διαδικτυακό Σεμινάριο

Αγαπητοί συνάδελφοι και συναδέλφισσες,

Το **Διοικητικό Συμβούλιο ΠΑ.ΣΥ.Κ.Α (Ο.Ε.Λ.Μ.Ε.Κ.)**, σας προσκαλεί σε διαδικτυακό σεμινάριο με τίτλο ***Teaching Smarter with AI: Enhancing ELT Efficiency*** και εισηγητή τον **Κασσιανό Κούρρη** (English Language Teacher & Certified Computer Trainer).

Webinar Topic:

In the evolving landscape of English Language Teaching (ELT), artificial intelligence (AI) has become an invaluable tool for educators seeking to enhance their teaching efficiency and student engagement. This webinar will explore how AI can be seamlessly integrated into ELT to support the development of the four language skills—reading, writing, listening, and speaking—while also streamlining test creation, assessment, and feedback processes. Participants will gain practical insights into AI-powered tools that can assist in lesson planning, personalized learning, and automated grading, ultimately reducing workload while improving learning outcomes. Through hands-on demonstrations and real-world examples, teachers will discover how to leverage AI to create dynamic, interactive lessons that cater to diverse student needs. Whether you are new to AI in education or looking to refine your existing approach, this session will provide actionable strategies to help you teach smarter, not harder. Join us to explore the future of ELT with AI and take your teaching to the next level!

Kassianos Kourris is a secondary education English teacher with extensive experience in teaching English as a foreign language. He currently teaches at Saint George Lyceum of Lakatamia.
