

The ICC Co-Chairs and Board are delighted to announce the 2025 ICC-Languages Conference, with the theme:

Redefining Language Education - Technology, Accessibility and Empowerment

The conference will take place in Larnaka, Cyprus, from May 9 to 11, as an on-site event.

For more info and registration: <https://icc-languages.eu/conferences/2025-conference-cyprus/>

Conference Venue:

[Multi-functional Center for Social Activities and Welfare of Larnaka Municipality](#)

Address: Faneromenis 62, Larnaca 6025, Cyprus

This conference serves as a platform for the exchange of innovative ideas, the dissemination of research findings, and discussions on the challenges and opportunities in language education. Scholars and practitioners will gather to explore the conference theme, fostering discourse on language teaching and learning.

We kindly invite you to mark the conference dates on your calendar, and we sincerely hope you can join us in Cyprus for this enriching and collaborative event.

Best regards,

The ICC-Languages Team
